Leaflet No. B549/2
Supplement

SUPERPLANE 230

- 1.7 metres (66in.) long table for straightening without extra expense of wider machine
- Easier and more accurate fence setting
- Canting fence makes bevels and chamfers easy
- Edging unit gives facing and edging in one pass, without reducing capacity

For High Production
and Small Jobbing Requirements

The Best Value Planer:

1.7 metre long table

More support when planing, giving accurate jointing and straightening

Rack and pinion operated fence

Easy, quick, accurate fence setting

Canting fence, lever operated

Bevels and chamfers are easily made

Lever operated front table rise and fall

Quick adjustment, saves timber and reduces the number of passes

Ergonomically positioned readout scale for infeed

Depth setting of table easily read from operators' working position – less margin for error

Cutter setting device

Included in price of machine. Enables cutters to be changed in 10 minutes – saving downtime and encouraging the use of sharp cutters

Three phase and single phase motors

Suitable for the large or small shop

Specification

Planing capacity	230 mm	9 in
Length of tables	170 mm	66 in
Speed of cutterblock	5000 rev/min	5000 rev/min
Cutting circle of cutterblock	90 mm	3½ in
Length of fence	760 mm	30 in
Height of fence	110 mm	44 in
Fence will cant to	45°	45°
Will rebate up to	12 mm	½ in
Rise and fall of tables	16 mm	⅝ in
Horse power of driving motor – 3 phase	1.5 kW	2 hp
1 phase	0.75 kW	1 hp
Syn. speed of motor, 50 hertz	3000 rev/min	3000 rev/min
Height of table from floor	800 mm	31½ in
Approx. floor space	1700 × 660 mm	66 × 30 in
Approx. net weight	180 kg	390 lb
Approx. gross weight	230 kg	500 lb
Shipping dimensions	0.9 m ³	33 ft ³

Back cutterblock guard automatically covers rear of cutterblock when fence is positioned

Makes machine safer

Front guard easily adjustable

Encourages the rise of safety guard

Bracket for mounting power feed attachment does not reduce width capacity

Full 230 mm capacity available. No need to buy a wider machine at increased price

Rebating (with Shawguard)

12 mm capacity rebating with safety

Foot operated brake

Stops machine in seconds. A time saving and safety device

Power feed

For continuous planing and high production
